

## **Fork Mounted Sweepers**

Fork Mounted Sweeper - The forklift mounted broom attachment could make industrial sweeping work a lot easier. Intended for use on either wet or dry surfaces, this mounted broom accessory can squeegee water and push snow easily. This attachment is normally utilized to clean garbage from warehouses, construction sites, docks, parking lots and virtually everywhere it is needed. The lift truck sweeper is a low maintenance accessory that utilizes quick-tite blade products to easily connect to the lift truck.
