

## Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machinery. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have over sixty years of experience effectively developing, marketing, manufacturing, designing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are committed to offering top quality and new design concepts in order to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines continually provides fresh design concepts. They enjoy offering products which energize both their partners and their dealers and provide production gains to their clients.

The team at TREK likes dealing with new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' skills and requirements along with their understanding of cleaning applications, along with owners' strong desire to considerably lessen cost through productivity gains.

When needed, the workers within TREK and its numerous dealer members in both technical support and parts would be obtainable. Amongst their core values is their high service commitment in their customer service. Keeping their clients' cleaning equipment running and ready daily is top priority. The company's top of the line technology delivers dependable equipment that ultimately lowers your cleaning cost. The price, the service and the product all work as one to make them an industry leader.
